

## **SCCA CHAPTER FINANCIAL AUDITS**

- The SCCA Committee on Inquiry will be responsible for auditing Chapter financial records.
- An audit will be conducted on Chapter financial records whenever financial responsibilities change from one person to another (either temporarily or permanently).
- Failure of any Chapter to conform to any follow guidelines in the Chapter Agreement may be grounds for suspension, disaffiliation, or other appropriate action.
- In the event of disaffiliation, an audit of the Chapter's financial records will be conducted within six (6) months of the disaffiliation.
- Following the Chapter disaffiliation and at the conclusion of the audit, the chapter will reimburse SCCA the start-up fee in the amount initially provided and/or the balance of the chapter funds.
